Israel Update

Prime Minister Netanyahu spends 10,000 shekels a year on ice cream. There are 40 independent book stores in all of Israel. Israeli authors produce the second most books per capita of any country. Israeli cows are tied for the most productive cows of any country (in terms of milk production)

Hey EWUSY! I hope you're all getting pumped for the Youth Shabbaton coming up this weekend! We've got awesome activities planned for everyone there and we can't wait to see everyone! If you are attending the Shabbaton, please remember that Purim services will be occurring immediately after, so please bring an awesome costume to celebrate Purim in! Can't wait to see y'all there!

Hey East Windsor USY!

I hope you all had fun at membership dance if you went and I can't wait to see you at youth Shabbat! If you've never been to a regional convention I encourage you to come to spring convention, which is May 16th through 18th. It will be the best convention and a great way to end USY before the summer starts! On that note if you have any suggestions for spring convention please let me know! East Windsor, as the year is going by very fast, I challenge all of you to get more involved both on the chapter and regional level! USY is a great organization so if you know any other Jewish teens in your school or neighborhood, bring them to an even so then they can join in all the fun too! EWUSY we rock! Let's increase those T.O. numbers!

Your SATO,

Danielle Solomon

**My experience in USY,
by Yaffa Kornsgold, Freshman Representative**

My experience in USY so far has been amazing. Even though I am only a Freshman I have done so much with USY just this year. I went to Hagalil Encampment this summer making it my 14th summer at Encampment. I had been going since I was a baby with my parents! But even though I had been going for so long, this summer was different because I was finally in USY. I had been waiting to be in USY for so long and I was finally there. I was able to be with my closest friends for a week and make so many new ones. After Encampment was over all I wanted to do was see my friends again, that is how great USY is. I was so excited to go to Opening Dance, which I enjoyed very much. At LTI, which is a Leadership Training Institute, where all the leaders in Hagalil come together to learn on how to do their jobs better, I made many new friends (again!) and learned a lot about how to be a Freshman Representative. At Midwinter Kinnus I spent a weekend with all of Hagalil in West Orange and learned about leaving in this country after you immigrated from other countries. So far, I've had a great experience in USY especially with our chapter, East Windsor USY. We've had

such great events this year. The Opening Event where we played games outside and had tasty ice cream. We had the Winter Shabbaton where we played human battleship and our own version of "Heads Up". I look forward to the rest of my USY experience regionally and locally. I think everyone should get involved in USY because it is a great thing to be a part of.

Alternative Torah Tidbit from our Rel/Ed VP Heather Brandspiegel

With Youth Shabbat approaching this weekend, I became very aware that the year is almost over. Yes we still have 3 months, but in the larger picture it is not that much. It gave me some time to think about what EWUSY has accomplished this year, and more importantly what I have accomplished. Youth Shabbat gave me a chance to take a step back and really think about what my position as Rel/Ed really means to me and how I have succeeded as a Rel/Ed. This weekend at Youth Shabbat, we will read Parshat Tzav, which speaks about sacrifices. Come this weekend to hear more about it!! I came to realize that being a part of EWUSY board and Rel/Ed RGB in Hagalil is not a sacrifice but truly a reward and an honor. I have learned so much from both and have also learned that in the next 3 months, I want to accomplish more as a chapter and as a Rel/Ed for the chapter so that I can leave my position at the end of the year proud of my achievements and myself. As a Rel/Ed and a board, we have been busy planning Youth Shabbat and we know it will be a great one. **SO** on that note, sacrifice any other activity you might have and come this weekend because I know, and you should too, that this will be a well worth sacrifice to make!!
